So Great a Salvation - a picture of true salvation

This is a very powerful inditment into the method of preaching of salvation in our backslidden generation of Christianity. It shows the genuine and true. I highly recommend you to listen to these 2 recordings which are on the level of the revival hymn recording.

Would anyone want to do a text transcription of this recording? It would definetly be a task and take some time so pray a bout it. I would love to see this recording used more.
