Hello all! My names Rob. Been comming to the site since last december when i came upon on it on 'accident.' Its been a great blessing to down load so many edifying sermons. I was espically drawn to the compilations.

As i believe we are living in the last days, and with the church in the condition it is in, i couldn't help but think - so this is where God's remnant have been comming on the internet.

Anyways, i'm 29 and exceedingly joyful that sites such as this exist. praise God!

Hi Chariot...!

Glad to meet you! What a blessing to meet new believers with a heart for the Lord! I pray that you have a wonderful time here, and that the resources available (the audio messages, photos, forum, etc...) encourage you in your walk with the Lord.
