

Welcome & Intro :: Steve here, new member

Been downloading sermons and checking out the message board here for some time now. Been impressed with the spiritual maturity here. Doesn't seem like there's a lot of arguing here. Baptistboard.com disappoints me at times in that area. Just wanted to say "Hi" and thank God I've found lots of sermons from my favorite preacher...David Wilkerson! :-D

Welcome Steve,

Glad to have you here and hope you may continue to find much to glean from.

Hi Blackhawkk...

Welcome to SermonIndex! I really like to hear the messages by David Wilkerson too. But I also like to hear messages by Leonard Ravenhill. Brother Ravenhill played an important role in the life of Brother Wilkerson.

I hope to "see" you around!

:-)
