I have found that the book 'Abide in Christ' by Andrew Murray is a very good way to start the day. Also another Andrew Murray book entitled 'With Christ in the School of Prayer' is an amazing devotional study. However, in my recent personal experience I have been pondering the reality that God Almighty actually dwells within me. That may sound stupid, but when that truth is meditated upon and studied and prayed over, it has the power to change your life and ministry.

Yes, brother that's a great recommendation, I find most of Andrew Murray's works as ones that you cannot read through in one sitting but rather they are perfect for bite-sized meditations daily. I think some of his books such as "abide in Christ" were specifically made for this purpose.
