I don't know, but he is surely missed. Please Ron come back!!! :-)

Re:, on: 2006/3/14 14:37

I did a search on his profile 3 nites ago and then went to his site to look for him.

Maybe Robert could check into this or tell us if he knows ?

I've obviously missed that guy too :-D .

I have been wondering also. Sometimes if he is out of town he is very limited on what he can do on the net. I am hoping he is just out doing ministry work. I have an email in to him so we'll see. Lets keep him in our prayers.

I was wondering the same thing last week...

Hello...

I performed a registration search of his website, and it lists an email address and a telephone number. I live in a University dorm in the United States, so I obviously have difficulty calling overseas from my home phone. My cell phone does not have access to overseas calls either.

Perhaps someone in the UK might want to look at his telephone number and give him a call?

I don't want to list the telephone number without his knowledge. But here is the website. Scroll down to the "Administrative Contact" info for his address and telephone number:

:-)

By the way, I am praying for him too!

Re: - posted by philologos (), on: 2006/3/16 13:26

Gee, it's nice to be missed! Got myself buried in admin for some days, slowing emerging now.... I will potter around the site and see if I have any contributions to make to the ongoing threads. If there are any you would like to draw my attention to...?

Bro Mike you wrote;
"I like this thread..."

That's because you love to see the love of/in Christ abound amongst brethren ... Me too ... :-D

John.13

A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another.
By this shall all men know that ye are my disciples, if ye have love one to another.

All we need is (Christ) love ... it covers all else amongst brethren ...

Bro. Ron (fellow old bean :-P) It's good to know all is well with you! ...

Brother Ron, it is a blessing to have you back with us. I was wondering if you would not mind giving us some more insight on the "what is a pastor..." thread?

Thank you,
Patrick

Ah, a teacher who ponders how to answer! Whoever restrains his words has knowledge! (which explains my condition :r oll:)

I'm a day or so late, but welcome back Ron!

It has been a month and a half since Bro. Philologos has logged in. Anybody know how he's doing? Praying for you Ron.

Re:, on: 2006/4/28 9:52

To be honest with you, I've expressed the same concern elsewhere but then finally tracked him down.

That's it Ron - the jig is up --- I'm squeeling.

You can find him quite alive here -

Ha - I peeked. But was sure glad I did and found that he was still on earth. :-P

As I understand it he has been busy, but is slowly getting back to the computer.
